EDUCATION

Vasireddy Venkatadri Institute of Technology <i>Bachelor of Technology(Computer Science) - CGPA - 6.0</i>	2021–2025 <i>Guntur, Andhra Pradesh</i>
Vignan junior college <i>Board of Intermediate Education (MPC) - 68%</i>	2019–2021 <i>Guntur, Andhra Pradesh</i>
Little flower School <i>ICSE - - 48%</i>	2018–2019 <i>Guntur, Andhra Pradesh</i>

TECHNICAL SKILLS

Languages: Java , C , Python
Developer Tools: VS Code, Eclipse, Github, Jupyter notebook
Machine Learning: Random Forest, XGBoost, Decision Trees, Logistic Regression
Web Technologies: HTML, CSS, JavaScript
Libraries/Tools: Streamlit, Numpy, Pandas, Scikit-learn
Databases: MySQL

PROJECTS

<u>Customer Churn Prediction</u>	Dec 2024
- Developed a customer churn prediction model with 98% accuracy using machine learning algorithms (Random Forest, XGBoost) to identify potential churners - Engineered features from imbalanced data and utilized SMOTE to improve model performance, effectively detecting churn risks. - Utilized Python for data analysis and model building to predict customer behavior.	
<u>MultiModel Data Processing System</u>	Oct 2025
- Developed a Multimodal Data Processing System capable of extracting and analyzing text, audio, and visual data from various file formats (PDF, DOCX, PPTX, images, audio, video) using Python, OCR, and speech-to-text models.. - Implemented semantic search and natural language querying using embeddings and ChromaDB, enabling context-aware answers with source-based citations through an integrated LLM-powered interface..	
<u>Personal Portfolio Website</u>	Jan 2022
Designed and created a responsive personal portfolio website to showcase technical strengths and featured work using semantic HTML and modern CSS techniques..	

INTERNSHIP

Indo-Euro SynchronizationW <i>Data Analyst</i>	Feb 2024 - May 2024
--	----------------------------

- During my internship at Indo-Euro Synchronization and Skill Up, I significantly enhanced my technical skills by leveraging Excel Macros, Power BI, and SQL to design and implement advanced data-driven solutions.

EXTRACURRICULAR

Organized a SPELL-BEE contest

- Working closely with peers to plan and execute a successful Spell Bee event with high student participation. Demonstrated leadership, communication, and teamwork throughout event coordination and promotion.
